Artis Originals are specialists in the creation of beautifully handcrafted, hand painted quality Kitchen Dressers.

The finest hardwood and solid oak is fused with our distinct traditional craftsmanship to create the perfect compliment to any kitchen of distinction, character and elegance.

Each dresser combines practical storage with a fabulous shelving area. The lower section comprises either sturdy door storage units mounted on solid brass hinges, dovetail jointed redwood drawers mounted on high quality soft-close runners or a combination of both.

The open shelved top section is perfect for displaying your most interesting or cherished possessions.

BEAUTIFUL HANDCRAFTED KITCHEN DRESSERS

Available in a range of contemporary finishes:

Duck Egg Blue, Spring Green or Traditional Cream.

Please refer to our website for our extensive colour options.

The lower section interior carcass is constructed using a hard wearing, easily maintainable polished oak veneered board.

The open shelved top section is perfect for the displaying of your most interesting or cherished possessions. The shelves incorporate a groove to aid the display of plates and ensure they are kept in place.

At the back of the unit, stunning tongue & groove effect boards can be seen, this style is mimicked on the external sides of the Dressers.

Dressers are also available with a choice of light or dark oak handles and tops.

A bespoke service also available, please call 01254 673733 to discuss your requirements.
